

# Reservations & Private Events

*Perfect for parties of any size,  
for any occasion!*

## Policies

- Beginning January 1st, 2024 there will be a NON-Refundable \$75 room fee for all PRIVATE reservations.
- The room fee is due 7 days before the event and it guarantees the room for that day.
- If the room fee is not paid 7 days before the event the room will not be held. We recommend paying the room fee the day you book the party.
- There is no room fee for a semi-private event.
- In order to provide the best possible service and ensure availability, making your reservation 7 days in advance is ideal, but walk-ins are always welcome!
- No outside food or drink of any kind permitted, except desserts.
- Guests cannot charge entry (cover charge) to an event without prior approval from The Fieldhouse Bar and Grill.
