

We are not your typical "sports" bar. The Fieldhouse is a family restaurant that takes great pride in the food we serve to you. We do our best to make all of our menu items from scratch with the freshest ingredients. We locally source what we can to give you a top notch product. We take the time to cure our own bacon and pastrami, hand make all of our pizza's, and of course our burgers are all ground and pattied daily. From our wing sauces to our cheese curds and even some of our bread, it's all made at The Fieldhouse.
